

MISSION GAMPOSSIBLE

At the beginning of November, the newly formed **“Mission GAMPossible”** a staff initiative of Guardian Asset Management launched its first official charity drive.

Our Mission: To reach out and bring the Spirit of Christmas to needy and deserving families in our communities.

Throughout the months of November and December, staff members gave generously of their time and finances. Through the many fundraising activities that were held, such as raffles, dessert sales, food donations and the sale of Christmas tokens, “Mission GAMPossible” was able to fulfill its mandate for the season and deliver Christmas hampers and toys to seven grateful families from Morvant to Chaguanas to Penal. The committee was also able to assist funding for an eight year old child who required a much needed surgery.

“Mission GAMPossible” will continue its charity drive and with the continued support of staff, we do hope to bring smiles to more needy families in the future.

Mission Accomplished!
